❯ Instructions

Papers reporting original and unpublished research results pertaining to the topics in the CFP are solicited. Full paper manuscripts must be in English of up to 6 pages (using the IEEE two-column template instructions). Submissions should include the title, author(s), affiliation(s), e-mail address(es), tel/fax numbers, abstract, and postal address(es) on the first page. The online submission site is: **Submission Link (click here)** (https://cmt3.research.microsoft.com/mipr2019). If web submission is not possible, please contact the program co-chairs for alternate arrangements. Papers will be selected based on their originality, timeliness, significance, relevance, and clarity of presentation. Paper submission implies the intent of at least one of the authors to register and present the paper, if accepted. Best Paper Award: IEEE MIPR will be presenting a Best Paper award and a Best Student Paper award. The best paper will be selected by separate committee and will be the one that reports the most novel and promising research work that has a high potential impact in the real world.

There are three different submission types. Selection of papers within each category will be handled independently.

Submission of Regular Research Papers (Full: 6 pages; Short: 4 pages)
To submit regular research papers to the main conference, please select "Main Conference (Full and Short Papers)" in Microsoft CMT submission site. There will be a step that allows you to select either 'Full paper' or 'Short paper'. If you have questions regarding submission of the regular papers, please contact one of the PC Co-Chairs.

Submission of Industry Track (2~6 pages)
To submit your papers to government/industry track, please select the "Industrial Program Track" in Microsoft CMT submission site. If you have questions regarding this track please contact one of the track co-chairs.

Submission of Demo Papers(4 pages)
To submit your papers to a special session, please select the the "Demo Paper Track" in Microsoft CMT submission site.
